Tomoji,

Thank you so much. I hope the same for you. Yes, I will visit soon and look forward to seeing you also.

I think I do understand and I will be happy to be closer to the situation and participate myself. Of course, if you ever have any doubts, please contact me directly anytime.

Regards,
Nick

Nick,

I hope you and your family are doing well. I heard from Hanawa-san that you are going to come to Tokyo as from Oct 3.
I look forward to seeing you then.

Regarding Genomatica issue, as you see, under the situation where there are many uncertain things, we have to make high level decisions. I hope you understand what I am trying to say...

So far, we had several call conferences with Jennifer and Josh. I hope you join call conferences from now on.

Thank you for your understanding.
Best regards,
Tomoji
